Our Plan for Stafford

Delivering what is important for our community

- ✔ **QLD Fuel Security Plan** – delivering immediate relief, securing supply and creating long-term certainty by unlocking the Taroom Trough to produce our own fuel here in Queensland.
- ✔ **Prince Charles Hospital Expansion** – delivering 93 beds, a full ED upgrade, paediatrics and modern operating theatres, allowing you access to health services when you need them.
- ✔ **Safety where you live** – backing the expansion of ‘**Adult Crime, Adult Time**’ laws, recruiting more police and delivering crime prevention programs.
- ✔ **Backing a new Northside Tunnel** – getting traffic-choked roads flowing again by progressing a new Northside Tunnel as part of our plan to deliver congestion-busting road upgrades to get you home sooner.
- ✔ **Delivering for our Community** – with more than 15 years serving our community as a local Councillor, Fiona will continue securing funding for community groups, sporting clubs, public spaces and our local schools.
